PUBLIC NOTICE
Board of Supervisors July 19, 2021

Chairman Helgevoid called the regular meeting of the Wright County Board of Supervisors to order at 9:00 a.m. Members present were Kluss, Rasmussen and Helgevoid. Minutes of the previous regular meeting of July 12, 2021 were read and approved with the corrections stated.

Approved claims for payment. In open forum, Jona McGrath and Dan Schroeder were speaking on behalf of their mother, JoAnn Schroeder. They are requesting that the property located around their mothers' house be signed over. This property lies against property of Clarmond County Club, Wright County and the State of Iowa.

Wright County Engineer will look at the road right of way and discuss the options. Eric Rector, Wright County Conservation, will get contact information for the Iowa DNR for McGrath and Schroeder. Shari Plagege stated that Schroeder is currently paying taxes on the two sheds. Sandy McGrath with Wright County Public Health gave an update on the COVID cases in Wright County. There are 16 new positive cases since last week with a total of 1,886 since March 2020.

Of the new positive cases, most were unvaccinated individuals with a few that are vaccinated. A total of 45.9% of Wright County residents have been fully vaccinated. The Test Iowa sites in Wright County are now closed. Individuals can get a saliva test kit from Test Iowa still through the mail and it is then sent to the state hygienic lab. Wright County Public Health is still offering testing at their office.

Motion by Rasmussen and seconded by Kluss to approve the firework application for 4G Pyrotechnics for August 20th. Motion carries.

Motion by Kluss and seconded by Rasmussen to deny the tax abatement orders #1198, 1199, 1200 and 1201 for US Fish and Wildlife. Motion carries with Helgevoid voting nay.

Motion by Rasmussen and seconded by Kluss to approve the 28E Agreement with the City of Dows for Contracted Law Enforcement for \$26,350.00. Motion carries.

Motion by Kluss and seconded by Rasmussen to receive the quarterly revenue report from the Wright County Recorder. Motion carries.

Jeremy Abbas, Wright County Engineer Office, gave an update on the Secondary Roads. Crews are continuing rock dusting doing 135 tons a mile with 517 loads completed so far. Blades are out on the roads when moisture is present. The crews had a training day with a representative for the portable traffic signals. There were 7 work orders completed last week. One of the work orders was a ditch clean out that was 1,580 feet and 144 loads

of dirt. This was around \$12,000, which is about \$7 a foot. The biggest cost is the trucking.

Abbas spoke on the standing corn snow fence. They are getting measurements and pricing for a snow fence for the county as well as contacting farmers for a potential snow fence in the fields. The minimum would be 6 rows with a maximum of 24 rows. The Board of Supervisors asked what the price difference is between the standing corn fence and the temporary snow fence.

Went on conference call with Hancock County Board of Supervisors concerning JDD #98-32. A brief summary was given by Courtney Morris, Wright County Drainage Clerk, to bring everyone up to speed on the JDD 98-32. David Johnson, Drainage Attorney for Wright County, explained Iowa code sections 468.132, Notify other district of the project; 468.133, Board appoint the benefit commission; and 468.134, Board to set the date and time of a public hearing to present findings. Johnson stated that trustees of DD 194 should appoint the commissioners to do an outlet study. There was concern from Hancock County whether the commissioners should be 2 (two) from Wright County or 1 (one) from Wright and 1 (one) from Hancock Counties. Johnson recommended 2 (two) commissioners from Wright County as it is DD #194 that is doing the reclassification and considering the outlet charge to JDD#98-32. At the Public Hearing on the classification, Hancock County will have the opportunity to accept or object to the amount.

Motion by Kluss and seconded by Rasmussen to appoint benefit commissioners to DD 194 for the purpose of establishing an outlet charge for JDD 98-32. Said commissioners shall file a benefit report with the Wright County Auditor's Office within 30 days from appointment of commissioners. Motion carries.

Amended motion to state that the second uninterested landowner commissioner will be appointed at the July 26, 2021 meeting. Recommendations are as follows: Engineer - Dan Wiedmeier (McClure Engineering), uninterested landowner - Robert Ritter and uninterested landowner - to be assigned.

The Board of Supervisors met at Eagle Wings Daycare in Eagle Grove this morning and discussed what the needs are to maintain their facility. The board will be going to Belmont at 1:00 p.m. to tour the daycare facility there.

The meeting is in recess until 1:00 p.m. today. Motion by Kluss and seconded by Rasmussen to adjourn the meeting. Motion carries.
